

## Community Identity Program

### Moving Forward Project

*A CITYarts mural project with the Middle School for Art and Philosophy*

#### What:

CITYarts and MS 588 students created mural #344, *Moving Forward*. Inspired by their CITYarts *Pieces for Peace* workshops, where each student learned with artist Berto Reynoso about what peace means to them, students designed a mural focusing on these ideas and the importance to move forward from the struggles of the Coronavirus Pandemic.

#### Where:

MS 588 Middle School for Art and Philosophy 1084 Lenox Rd, Brooklyn, NY 11212

#### Who:

- CITYarts volunteers and interns
- Students at MS 588 Middle School for Art and Philosophy
- Berto Reynoso, CITYarts Artist

#### Why:

- To continue our connection with the Middle School for Art and Philosophy and connect the students with artists to participate in the *Pieces for Peace* project.
- Get our youth comfortable with and aware of their artistic abilities.
- Create stronger bonds in the community through art.
- Spread the message of peace and allow each student to portray their own definition of it.

**When:** April 28, 2021- June 28, 2021
